A chart-topping vocalist with a global footprint, Zara Taylor's ethereal vocals have been the heartbeat of the global EDM scene for over two decades.

NEW ALBUM - MAY 24

THE BEST OF ZARA TAYLOR SERVES AS A RETROSPECTIVE OF ZARA'S REMARKABLE JOURNEY, FEATURING SONGS WRITTEN OVER HER 20-YEAR CAREER. THE ALBUM WILL HAVE LISTENERS DANCING AROUND THE GLOBE. FEATURING SOME OF ZARA'S FAVOURITE COLLABORATIONS, CELEBRATING CULTURES SPANNING THE MIDDLE EAST, ASIA, WESTERN AND EASTERN EUROPE, THIS ALBUM IS MADE UP OF A MULTITUDE OF EDM GENRES. THE BEST OF ZARA TAYLOR IS COMPRISED OF 22 ORIGINAL SONGS, PREDOMINANTLY CLASSIC, UPLIFTING AND BALEARIC TRANCE, WITH A FEW PROGRESSIVE HOUSE TRACKS. THE COMMON THREADS IN EACH SONG ARE COMPASSION, TRUTH AND HOPE, WHERE DARK MEETS LIGHT, WITH LOVE AS THE ONLY COMPASS.

"This album is a collection of songs I've written over my 20-year career. Sounds of uplifting trance from the clubs of Ibiza to the lounges of chill house on the rooftops of Turkey. Each song on the album is like an aural photograph of my heart space; capturing a moment in time along my journey. After two decades of releasing only singles to the world, I am thrilled to finally have a body of work under one title. This is, in my opinion, 'The Best of Zara Taylor - thus far.'"
